## LIVE GENEROUSLY

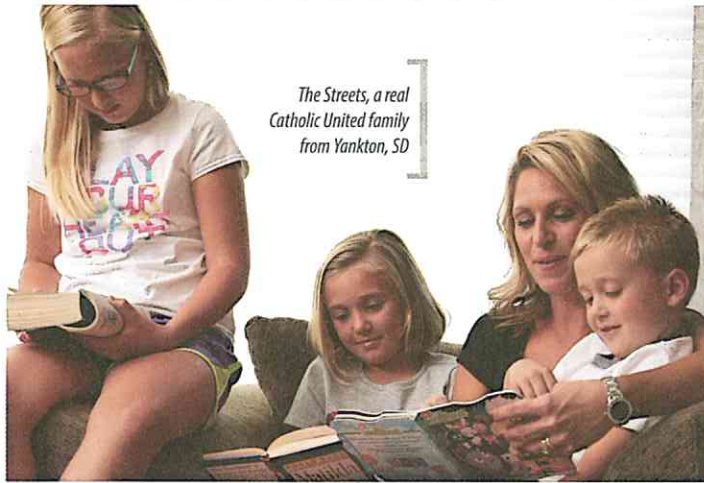

Some businesses try to prove they're socially responsible—like it's a new idea? Well, it's nothing new to us. We've been doing it since 1878! When you purchase life insurance or annuities from Catholic United, you become a member, not just an account number. This distinction is important, because unlike traditional life insurance companies, we are a not-for-profit, member-owned financial cooperative for Catholics.

Join us to transform profits into purpose. We've given schools & parishes in the dioceses I serve more than:

#### More \$ directed to your school

The giving begins immediately to your school when you purchase a qualifying life insurance policy.

#### More for when you need it most

When death or tragedy happens, loss of income can alter everything, life insurance can replace your income and bring peace of mind.

#### Larger gifts to your school
