

**HT KIDS PLACE
CHILD CARE PROGRAM
HOLY TRINITY CATHOLIC SCHOOL
PIERZ, MN 56364**

Greetings HT Kids Place Families,

The change of seasons, the beginning of school, is here. That means it is Fall Registration time. We are excited to be able to provide before and after school child care services once again and cannot wait to see all of the children again!

Reminders:

- You must fill out a registration form for **EACH** child.
- A current/updated copy of immunization records is due with each registration form.
- After reviewing the Parent Handbook, sign the last page and return with registration.
- Take your time and go through the Pandemic Handbook, this will show changes in policy that our handbook does not contain. There is a parent signature page required as well.
- Morning Care Families: Remember to bring cereal for your first day.
- Masks must be worn by parents and any child 6 years+ while in the hallways and entryway

DROP OFF/PICK UP CHANGES

Kids Place has been using the parent communication app, Brightwheel, this summer for billing and communication between staff and parents. Starting September 8, the first day of school, we will be utilizing the program for check in and check outs. Parents are required to walk their child to the Kids Place classroom, scan the QR code from their phone and answer the health screening questions (which include temperature checks done at home prior to arrival). End of the day pick up will require parents to scan the QR code, staff will have completed temp checks upon arrival afterschool.

BUSSING/PIONEER FAMILIES

Currently, the Pierz School District will not be providing bussing for any child on the East side of HWY 25. In the mornings, HT Kids Place staff will walk Pioneer students from Holy Trinity at 7:50am to Pioneer Elementary. After school, HT Kids Place staff will check Pioneer students into the program as they arrive after walking over. It is extremely important that you communicate with HT Kids Place if your child will or will not be attending on any given day after school. HT Kids Place staff will notify parents via Brightwheel when their child has safely arrived at the program.
