- Purchase a cork for \$15/\$20 with a # on it- match to # on wine bottle and win that wine- Wines range in price from \$5-\$50?

8. Santa Fun Run: From Amber Woitalla

- To hire the local company to come in and do online registration, bib number, chip time pretty much take care of everything is pretty spendy. So I did talk to some others that have set up smaller runs and we can get bib numbers and that pretty cheap \$10-15/100. (We would just have numbers for the 5k not the mile) I am going to talk to the cross country coach to see if we can use their timer that they have.
- Shirts were right around \$8 it depends on how many we end up ordering.
- For signing up I was going to see if we can put a form on the school website that they can print and send in, they would also be able to register the same day. (They wouldn't get a shirt unless we have extras) I have an example of a form to give us ideas of pricing and age cut offs.
- Dec. 9 if too close to Saint Nick night then Dec. 16

9. Other Events mentioned:

- Penny Wars
 - Classroom with most “pennies” win pizza party or ?
